GANTRY CRANES

Forum Gantry Cranes offer a very economical solution for lifting materials compared to Overhead cranes. They are both Durable and Portable and Wide Capacities. Spans and lifting speeds are offered as per client's requirements. Ideal for ware houses, construction sites, garages, loading docks, etc. Where part utilization of workshop is required Semi-Gantry cranes are provided. Forum also offers cranes with overhangs on one or both sides. An auxiliary hoisting mechanism can also be fitted on the crab. They travel on rails installed on ground level. Wheels may be SG iron or solid rubber type. they are available as Single / Double Girder and for both indoor and outdoor duty.

Product range Electric wire rope hoists, single girder cranes, double girder cranes, gantry / goliath cranes, jib cranes, electric winches.
